The preview:

In the next five sessions, we will examine the conditions that characterize those whom God strongly supports; those who, over time, develop Holy Ambition.

Our Model = Nehemiah

¹The words of Nehemiah son of Hacaliah: In the month of Kislev in the twentieth year, while I was in the citadel of Susa, ²Hanani, one of my brothers, came from Judah with some other men, and I questioned them about the Jewish remnant that survived the exile, and also about Jerusalem. ³They said to me, "Those who survived the exile and are back in the province are in great trouble and disgrace. The wall of Jerusalem is broken down, and its gates have been burned with fire." ⁴When I heard these things, I sat down and wept. For some days I mourned and fasted and prayed before the God of heaven.
