

**Introduction:** How can we know if we’re really changing for the better?

**The test:** *Who is wise and understanding among you? Let them show it by their good life, by deeds done in the humility (gentleness), that comes (flows) from wisdom.*

James 3:13 (NIV)

**Model:**

**Wisdom** = Core values + beliefs we hold about what makes one “successful” in life

**Summary:** Lasting change demands we examine the source (core values and beliefs) of our attitudes and actions.

**Man’s wisdom:** “Me Centered” attempts to achieve and appear righteous to satisfy ego needs and fulfill private agendas.

*<sup>14</sup> But if you harbor bitter envy and selfish ambition in your hearts, do not boast about it or deny the truth. <sup>15</sup> Such “wisdom” does not come down from heaven but is earthly, unspiritual, demonic. <sup>16</sup> For where you have envy and selfish ambition, there you find disorder and every evil practice.*
