

**Introduction:**

- Someone has said, "We make our choices; then our choices make us."
  
- Some of our good choices have resulted in a happy marriage, a great job, and deep personal satisfaction. Some of our poor choices have resulted in destroying a marriage, losing a job, and suffering shame and reproach.
  
- Few things will determine the quality and fulfillment of your life like the choices you make – for better or for worse.

**Transferable Concept #4:**

Teach them to make \_\_\_\_\_ choices.

**Life message: Holy living allows you to experience God's \_\_\_\_\_ for your life.**

**Discussion Questions:**

1. Read Romans 12:2 out loud with your children. Talk about what God's motivation is in commanding us "not to be conformed" to this world?
2. Allow your children to learn from you. Share with them an area of your life where God's transforming grace has made you holy and whole where impurity and brokenness used to exist?
3. Discuss what activities, people, media, etc. draw you or your children away from Christ-like living? Which ones draw you toward Christ-like living?
4. What specific step of obedience does your family need to take to grow in personal holiness? When will you do it?
